Venue: **Venue: MARRIOTT LISBON HOTEL, (BERLIN Room)**
Av. dos Combatentes – 1600-042 Lisboa
6 May 2010 14:00 – 18:00

WELCOME and OPENING – Setting the scene

João de Deus, MD, President of the AEMH

The definition of Hospital management, The Core values of the AEMH,
Quality and Safety, Collaborative work

“If clinicians are to be held to account for the quality outcomes of the care that they deliver, then they can reasonably expect that they will have the powers to affect those outcomes. This means they must be empowered to set the direction for the services they deliver, to make decisions on resources, and to make decisions on people.”
